Menu Selectors

Our menu selectors offer three different choices for your day, if you are finding it difficult to choose then let our team offer assistance, we can create a new menu to include your favourite dishes so please do ask.

Children aged 10 – 16 will be served a half sized portion from the chosen menu and charged half price, a children's menu will be provided for under 10's, children 0 – 3 are free of charge, drinks for them will be charged as taken.

If your guests pre order their menu choice then £1 will be taken off the price of the menu.

Once you have selected the perfect menu then you can select food for your evening reception, these too can be mixed and matched to suit your own preferences.

After looking through the menu selections you will find a menu sheet for your convenience to complete your choices and when you meet with us we can arrange the menu with you.
